Features & Benefits

- **Fusion Welded 3 1/4" Frame & Sash** provides an impenetrable barrier to air and water penetration and the utmost in strength, stability, and rigidity.
- **Unique Cove Mold Design** offers a more traditional wood window exterior appearance.
- **5 Degree Sloped Sill** provides improved water runoff, even in driving rain.
- **Deeply Pocketed Head** with weather stripping to resist air infiltration.
- **Heavy Walled Construction** .070" walls are a full 12% thicker than most other windows and provide a better thermal barrier.
- **Multi-Point Lock** provides a superior seal against water and air infiltration.
- **Egress Hinge** available.
- **Lifetime Warranty** on all vinyl frames.
- **Uses Truth Hardware** with E-Guard, & limited lifetime warranty.

The *right choice* to maximize protection from water and wind-borne debris, at a great value.
