OVERALL ADVANTAGES:

Distributed by **Eastern Metal Supply**

ENDECK[®]
PVC DECKING
By Eastern Metal Supply

ENDECK BOARDS...

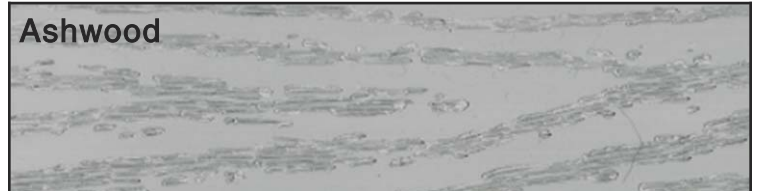

- will never warp, crack or splinter.
- never need to be sanded, painted or stained.
- are ultra low maintenance unlike wood.
- are 100% reversible and could be flipped over if one were ever damaged.
- are 100% capped cellular PVC with no organic materials to promote mold, mildew.
- have minimal fading. Darker colors have ASA cap stock for additional fade control.
- provide excellent traction when wet or dry for slip resistance and safety.
- have fascias available to match every color.
- Woodland series has a Class A Flame Spread Rating.
- have an excellent limited lifetime warranty backed by a financially sound manufacturer.

Eastern Metal Supply stocks ALL colors & ALL lengths to allow for immediate shipment to the market. In most areas material is delivered on our truck to your business.

WOODLAND Series:

Ashwood

Beechwood

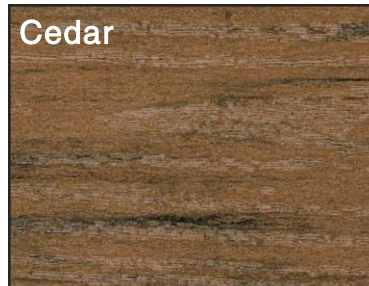

Olivewood

FOREST Series:

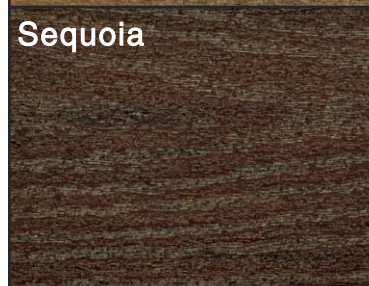

Cedar

Chestnut

Sequoia

Slate

ADVANTAGES:

vs. Composites

ENDECK BOARDS...

- are 100% reversible in case of damage.
- will not mold, mildew or decay like composite material.
- have superior stain resistance.
- are cooler to the touch in summer.
- are more slip resistant.
- will never swell.
- are lighter and easier to work with providing quick cost effective installation.
- don't require pre-drilled holes.

ENDECK[®]
PVC DECKING
by Eastern Metal Supply

ADVANTAGES:

vs. Competitors' PVC Boards

ENDECK BOARDS...

- are 100% reversible reducing lost inventory due to inadvertent handling damage.
- have a cap stock significantly harder to increase durability.
- provide excellent traction when wet or dry for safety.
- have an excellent color range available to compliment most homes and settings.
- can use multiple Hidden Fastener Systems
- color matched screws and plugs by Starborn
- touch up paint by Behr
